GUILDFORD

Sharing the same characteristics as the Winchester, The Guildford is a longer length overcoat which makes it more sartorial and gives additional warmth in the colder months.

FREESTYLE

The new Scabal Freestyle collection presents a thoughtfully curated selection of 20 exceptional fabrics crafted for refined, contemporary suiting. Each article is designed to combine style and versatility, offering a palette of beige, grey, blues, and browns that capture the warmth and depth of the cooler months. Whether for the office or evening engagements, these fabrics provide timeless appeal with modern sensibilities.

The collection celebrates textures and finishes that enhance every design, from sleek, understated designs to subtly patterned checks. With careful attention to composition and hand, each fabric delivers structure, drape, and presence, allowing every suit to embody both elegance and confidence. This collection is a testament to thoughtful craftsmanship and enduring style, offering pieces that elevate any wardrobe with distinction.

CASCADE

Cascade is a luxurious collection of jacketing fabrics showcasing the elegance and refinement of Super 130's wool, crafted to offer both elevated style and exceptional comfort. Presented in a weight of 240gm, each fabric features a smooth clear-cut finish, enhancing the crisp definition of the check designs while preserving the naturally soft hand of the wool. A capsule of 20 articles, Cascade celebrates the timeless appeal of check designs brought to life through meticulous craftsmanship and an eye for engaging colour combinations.

The palette is curated with the season in mind, embracing the rich, atmospheric tones of autumn and winter. Shades of blue, burgundy, mauve, and brown appear in layered variations, from lighter, refined hues to deeper, saturated tones that feel warm and enveloping. Together, these fabrics offer a harmonious balance of tradition and modernity, making them ideal for crafting winter jackets that embody luxury, character, and timeless design.

MISTRAL

Mistral is a luxury jacket collection defined by its refined and varied textures, elevated comfort, and carefully curated fibre blend. The range offers a subtle touch of luxury while maintaining the versatility and character required for modern jacketmaking. Across the collection, varied compositions create a spectrum of weights and handles—from lighter, textured options to more traditional winter qualities—ensuring there is a fabric suited to every seasonal mood and design intention.

The colour palette is diverse yet always tasteful, blending shades of beige, brown, blue, and touches of red to form patterns that feel both distinctive and refined. These thoughtful combinations bring depth and sophistication to each design, resulting in fabrics that are expressive without being overstated. Mistral offers a harmonious balance of creativity and elegance, making it an ideal choice for luxury jackets that stand out through quality, texture, and timeless style.

WARWICK 6

This classic Scabal jacket continues to evolve this season with the introduction of the new Warwick 6. This edition still shares some of the traditional Warwick details, the double slider front zip, slanted side pockets and the inside phone pocket but it is designed to replace a suit jacket. The flat shirt collar, buttoned cuffs and jacket hems are all made in the same fabric as the jacket to give a very elegant and sartorial feel intended to elevate a casual look. Available in both lined and unlined versions in a wide choice of Scabal fabrics.

This contemporary overcoat features a straighter body and elongated silhouette, offering a modern interpretation of classic outerwear. Unconstructed for maximum comfort, it delivers a superior drape to the look.

ZEUS

Enhanced by the colour choices of winter white, soft brown and classic navy. Within the 100% wool selection there is a wide choice of more traditional overcoating patterns before the collection moves into an essential selection of plain colours in the heavier weight of 520gm.

The pinnacle of the collection is a large selection of cashmere articles, select a traditional finish or for the ultimate in luxury choose a fabric with a stunning ripple finish.

Colours range from classic overcoating palette of blues, camels and greys to more unexpected shades of rich burgundy, warm browns and military greens.

MISTRAL

Mistral is a luxury jacket collection defined by its refined and varied textures, elevated comfort, and carefully curated fibre blend. The range offers a subtle touch of luxury while maintaining the versatility and character required for modern jacketmaking. Across the collection, varied compositions create a spectrum of weights and handles—from lighter, textured options to more traditional winter qualities—ensuring there is a fabric suited to every seasonal mood and design intention.

The colour palette is diverse yet always tasteful, blending shades of beige, brown, blue, and touches of red to form patterns that feel both distinctive and refined. These thoughtful combinations bring depth and sophistication to each design, resulting in fabrics that are expressive without being overstated. Mistral offers a harmonious balance of creativity and elegance, making it an ideal choice for luxury jackets that stand out through quality, texture, and timeless style.

THE CAMDEN JACKET

Rooted in the tradition of the classic chore jacket, the Scabal Camden Jacket combines practical design with elevated craftsmanship. Its square-cut silhouette and functional patch pockets speak to utility, while a refined selection of luxury fabrics and made-to-measure tailoring set it apart. The result is a modern work jacket distinguished by its effortless sophistication and enduring practicality.

PLYMOUTH 1

The Plymouth is an unlined overshirt. Designed as a fashion piece to be worn as an over layer combined with jersey or knitwear. It has a button front closure with two large flap pockets and 2 concealed side pockets.

GOLDEN GATE

Golden Gate is designed for the connoisseur of luxury who also loves colour.

Made in England at the Scabal mill, the collection is designed to work year-round and offers a concise selection of qualities and colours split into 4 chapters: Opening with 10 articles in 100% Cashmere twill at 280gm, followed by 6 additional cashmere articles in a plain weave at a lighter 200gm. The second half is made up of exquisite Super 180's wool in 2 weights, 7 shades at 240gm and 6 at the heavier 300gm both in a twill weave.

Designed to become a go-to for luxury plains, colours range from bold reds, greens and browns to the more traditional shades of blue and black.

TROY 4

Experience unmatched comfort and sophistication with this Troy 4 luxury car coat. New this season is a contemporary mao collar featuring alongside the 5-button closure, and practical patch pockets. It is available 1/2 or fully lined and can be constructed in an extensive range of Scabal fabrics, in RTW or made to measure. This driving coat offers a personalised touch, combining timeless elegance with tailored versatility.

FLANNEL & SAXONY

For centuries, flannel has been used to make clansmen's kilts, and no wonder. Warm, comfortable and durable in the face of harsh Highlands weather, it's the perfect choice. This Super 130's worsted wool collection is available in weights from 290gm up to 360gm which is guaranteed to keep out the worst the winter weather can offer.

The collection opens with a colourful selection of Saxony designs that feel fresh and modern and leads into more traditional designs such as pin stripes, soft checks and glenchecks. The selection of plains is complete and features multiple shades of the essential choices, blues, greys browns alongside a wide selection of fashionable hues, camels, petrol blues, greens in a selection of weights designed to make this collection as adaptable as possible.

EXMOOR I

A Safari Jacket for the urban jungle. This is a statement summer garment, lightweight, unlined and easy to wear. It can be dressed up with a shirt and even a tie or dressed down with a light tee or sweater underneath. The belted waist, large patch pockets and button shoulder strap have a tropical military feel but when presented in a soft hopsack from the Rhapsody collection it takes on a far more casual feel. Sleeves can be buttoned, open or rolled up to suit the occasion.

HYPHE 2

The Hythe 2 is a contemporary take on the classic Harrington, defined by clean lines and understated sophistication. Featuring a buttoned front closure, side welt pockets, and square cuffs with button fastening, it's available made to measure in an extensive choice of Scabal fabrics. Optional leather piping along the shoulders and under the collar adds a refined detail that elevates the jacket to a statement of modern luxury.
